

**ICAR Sponsored Winter School
on
Advanced Tools for Impact Assessment of Agricultural Technologies and
Policy Analysis**

Postponement Notice

Thank you for expressing your interest in participating in the ICAR Sponsored Winter School on “Advanced Tools for Impact Assessment of Agricultural Technologies and Policy Analysis.”

We wish to inform you that the Winter School, initially scheduled for December 12, 2025 – January 01, 2026, cannot be conducted as planned. The accommodation for the participants could not be arranged as there are restrictions in booking of guest houses due to the upcoming Chief Secretaries’ Conference in NASC, New Delhi.

We are currently assessing the feasibility of alternative dates for the Winter School and will communicate the revised schedule through subsequent emails. In case it is not possible to conduct the programme during the current financial year, the application fees will be refunded.

We sincerely apologize for the inconvenience caused and greatly appreciate your understanding and continued interest.
